ARE YOU LOOKING FOR A PLACE TO SERVE?

Consider volunteering at the PRC's Support Services office!

Our family SUPPORT SORTER position is the starting point for other client related work. It provides a base for all other positions.

Organize, sort, store, and display baby clothing and materials. In addition, assist with other duties at the Family Support office as required. This position requires on-the-job training and is a starting point for other client related work at the Family Support Office. We ask you to volunteer one four-hour shift weekly with a one-year commitment. We need sorters on Monday mornings and afternoons, Tuesday afternoons Wednesday mornings and afternoons, and Friday mornings.

Contact beverly@prcgr.org if you are interested in serving!
